

SMALL BUSINESS LEADERSHIP AWARD

Employers Health

Supporting initiatives and efforts that aim to improve the overall health of a community is important to the team at **Employers Health**. This support spans to projects and initiatives in several geographic regions. Employers Health plays a leadership role with two notable organizations: the Prescription Assistance Network of Stark County and the Healthcare Collaborative of Greater Columbus.

Additionally, Employers Health played a key role in the founding and development of Access Health Stark County, initially helping to convene dialogue in Stark County around the importance of covering uninsured and under-insured individuals. The organization also provided support for a community health education room for Mercy Medical Center at St. Paul Square.

Over the past decade, Employers Health has worked with many community groups to raise funds and help operations of nonprofit charitable groups and worthwhile events. These organizations include the American Cancer Society, American Red Cross, Goodwill Industries of Greater Cleveland and East Central Ohio, Health Foundation of Greater Massillon, Leadership Stark County, Pathway Caring for Children, The Health Collaborative of Greater Cincinnati and The Western Stark Free Clinic.

Founded in 1983, Employers Health is a professional benefits organization that provides resources, tools and advice that help employers deliver access to high-quality health benefits at a sustainable cost. With offices in Canton, Columbus and Cincinnati, OH, plus team members in Dallas, TX, Denver, CO and Tampa, FL, Employers Health consists of four entities that provide services to more than 400 member organizations domiciled in 33 states.
